New Sinclair Station Is Now Open For Business

The new H. H. Parker Sinclair Service Station opposite the Florida Power and Light Company plant in Pahokee is now open and ready for business. The old buildings have been moved off the lot and hundreds of yards of rock fill put in to build the approaches to the new station. It is one of the finest and most modern service stations on Lake Okeechobee.

A. E. (Slick) Kirchman, Sinclair agent in Belle Glade, bought the old station from Duncan Padgett several years ago and planned the new station. It came into being within the past few days when finishing touches were put on the very modern structure.

H. H. Parker has operated a Sinclair station on the same spot for eight years. Today his new station is equipped with modern greasing equipment of the Lincoln brand. A pit just outside the building will serve the big trucks while cars and smaller vehicles will be serviced inside the building.

Mr. Parker carries a full and complete line of parts and accessories and extends a cordial invitation to his many friends in the Lake Region to pay him a call at his new station.

The old restaurant building, formerly located alongside the old station, has been moved to a new location at the rear of the station and completely rebuilt. Mr. Kirchman has tentative plans for leasing the rebuilt restaurant to a local man who will open an up-to-date restaurant.

Royal Palms Set Bacom Point Road

The Hibiscus Garden Circle planted more than 200 royal palm trees along Bacom Point Road the past week in starting its roadside beautification project on the long street which connects Bacom Point with the center of Pahokee.

The plantings were started in front of the city park and are being extended southwesterly toward Bacom Point. Circle members taking part in the work the past week include Mrs. H. J. Clause, Mrs. F. M. Shaughnessy, Mrs. H. M. McIntosh, Mrs. George Ramey, Mrs. Don Hillier and Mrs. Ruth Meredith. They were assisted by O. B. McClure and Streets Superintendent Marvin Cowart and his work crew.

Circle members announce the beautification project will be continued as soon as funds are available for the purchase of more royal palm trees. Donations will be welcomed from anyone interested in this project.

Cuttings are now being rooted for the planting of red hibiscus between the palms which is being planned for next spring.

Mr. and Mrs. Wiley Tillis, accompanied by his mother, Mrs. C. H. Tillis, are visiting his brother-in-law and sister, Mr. and Mrs. Charles Estes, at St. Simons Island, Ga. Mrs. C. H. Tillis plans to spend the summer there with her daughter and family.

Six New Members In Canal Pt. Troop

Canal Point Boy Scout Troop 24 at a meeting in the scout hut at the County Park initiated six new members into the troop. They are Arthur Wilson, Woody Strayer, Howard Pugh, Dale Stacy, Sonny Hooks and Richard Weeks. Scoutmaster Red Williams was in charge of the initiation ceremony.

The older scouts are organizing an Explorer Unit within Troop 24. This group of boys from 14 to 16 years old are meeting regularly on Wednesday nights at 7:30 o'clock until the organization of the Explorer Unit is completed. Their immediate need is an adult leader.

New Liquor Hours For Glades Taverns

A new set of closing hours for liquor establishments outside of municipalities in the western half of Palm Beach County were adopted Monday by the County Commission.

Adoption of a resolution Monday won the unanimous support of the board and by its action brought about a change that was predicated on a request from several municipalities in the Glades.

The new changes, which conform to closing hours already established in Belle Glade, Pahokee and South Bay, set hours from 8 a. m. to midnight Monday through Friday and from 8 a. m. Saturday to 1 a. m. Sunday as the weekend hours.

The commission's action this week is the outgrowth of a request made several weeks ago when a delegation of officials from Belle Glade, Pahokee and South Bay appeared before the board asking that shorter operating hours be set for liquor establishments outside city limits and under jurisdiction of the county board.

The changes Monday drew some opposition but Commissioner Lake Loyal said that a vast majority of the Glades residents had requested the change and he felt that the board should comply.

WSCS Entertains

Members of the Pahokee Methodist Woman's Society of Christian Service entertained at the Woman's Club building Sunday afternoon with a reception for members of the Pahokee High School Class of 1952 and their sponsors.

Mixed bouquets of spring flowers were used in decorating the clubhouse for the occasion. On the refreshments table the crystal punchbowl was encircled with an arrangement of yellow and white mums and fern.

Soft piano music was played during the reception by Mrs. M. P. Stanley and Miss Lynn Shirley. Mrs. Manning I. Keen, Mrs. Milton Carpenter and Mrs. George Ramey acted as hostesses.

New Governor

HON. DAN MCCARTY
Fort Pierce

Dan McCarty, Fort Pierce cattleman and citrus grower, will be Florida's next governor. On Tuesday of this week he defeated J. Brailley Odham of Sanford in the run-off election by a margin of 40,000 votes.

Latest returns (not complete) gave McCarty 51 counties and Odham 16. Odham carried Polk, Pinellas, Hillsborough, Orange counties among the larger counties of the state. Populous Dade, Palm Beach, Broward, Duval (Jacksonville) and Escambia (Pensacola) were chalked up in the victor's column.

The Lake Okeechobee Region gave McCarty a nice lead with (continued on page 8)

Hurricane Gate At Canal Point To Get Overhaul & Paint

The hurricane gate at Canal Point will be closed for three weeks while the United States Engineers build a cofferdam on each side of it so that water can be pumped out and the gate given a complete overhaul and paint job.

Workmen out of the Clewiston office of Engineers were at Canal Point yesterday morning starting their work. It is estimated that the work will be fully completed soon after the middle of June.

The gate, a massive steel structure weighing many tons, will be given a thorough scraping and cleaning before any new paint is added. Whatever repair is needed will be done while the cofferdam is around the gate.

The Canal Point gate is one of a series of hurricane gates on the eastern and southern shore of Lake Okeechobee which help to control the big body of water during hurricane season. When hurricane winds roar and the vast body of water begins to roll it is then that the gates are closed making a continuous dike for many miles on the eastern and southern shore of the lake—providing safety and security to the countryside from the lashing waves of a turbulent body of water.

Mrs. Carmen Salvatore, Sr., is visiting her brother and sister-in-law, Mr. and Mrs. Ed Woodward, in Jacksonville this week.

Kahn Signs Contract To Air Condition His Store

Lions Ladies Night

Canal Point Lions held their Ladies Night at the Community Building in the County Park on Monday night. A delectable chicken dinner and all the trimmings was served by Mrs. A. Q. Howell. She was assisted by Misses Barbara Frierson and Evangeline Tillman.

The program was under the direction of Rev. James Roy and proved to be highly entertaining. It was an audience participation affair and was built around the radio idea with Station L-I-O-N doing the broadcasting.

Loans Available For Storage Bldgs.

Loans are available to eligible farmers in this county, for erecting facilities for storage on the farm. Eligible farmers are tenants, landlords, owner-operators, or partnership of producers. Loans will also be available to landlords who rent their land on a cash rental basis.

Loans may be obtained for constructing storage facilities for storing corn, grain, sorghum, soy beans, rice, peanuts, and pasture grass seed.

The storage facility must be an approved movable structure, and must be needed for storage of commodities in which the borrower has an interest.

The loans are obtained from the Commodity Credit Corporation for a maximum term of approximately five years, payable in equal annual principal payments. The maximum amount of the loan shall be 85 percent of the cost of the building, or 45c per bushel of the rated capacity, whichever is less, and will bear interest at rate of four per cent per annum.

June 30, 1952 is the final date for accepting applications for these loans, and are being handled by the Palm Beach County Production and Marketing Administration. Further information and applications may be had at the PMA — County Agent's Office, Saniters Building, Belle Glade.

Mr. Roberts To Talk

A public talk on "Forging Ahead With Florida" will be given by R. B. Roberts of Miami, vice president of the Florida Power and Light Company, in the Woman's Club building Monday, June 2, at 8 p. m.

Mr. Roberts' talk is being sponsored by the Pahokee Chamber of Commerce and will be preceded by a dinner in the clubhouse at 7:30 p. m. Tickets to the dinner at 75 cents a plate are on sale at Kahn's, Keen's Standard Oil Station and Nola's. There will be no charge to hear Roberts' talk.

Mr. and Mrs. Paul Riddle and son, David, visited friends in Stuart Sunday.

Jon Kahn signed a contract last Thursday with Chrysler-Airtemp Corporation to air condition the popular Kahn Department Store in Pahokee. They started work on Monday of this week and Mr. Kahn is hoping that work will be completed in about three weeks.

The Kahn store will be the third business house in Pahokee to be completely air conditioned. The Bank of Pahokee was first and Bolton's Drug Store was second to install air conditioning equipment.

In commenting upon the installation Mr. Kahn said: "We have the finest group of customers in the world and we want to do everything to make them comfortable. The new equipment will cool the store in the summer and heat it in winter. It is the very latest design and we here at Kahn's sincerely hope that our many patrons will enjoy the results to be rendered by the new installation."

Seniors Receive Their '52 Diplomas

This is "The Hour of Challenge" Attorney Fred O. Dickinson, Jr., of West Palm Beach told the 37 graduates of the 'Pahokee High School Class of 1952 as they received their diplomas at the annual commencement exercises in the high school auditorium Wednesday night.

Introduced by Principal Clyde A. Canipe, the commencement speaker said, "You have reached the age of reasoning tonight, with an understanding of right from wrong and an appreciation of real character in yourself and your friends. You graduates are more than the hope of tomorrow, you are the trustees of our freedom, our way of life. At this hour as you receive your diploma it is your duty to accept the challenge of responsible citizenship. Whatever career you choose, make it an honorable career and, above all, whatever you decide to do in this life, do it well."

Millard Stanley gave the welcoming salutatory address and Dick Atkins, the farewell valedictory. Rev. John Clarence Petrie, vicar of the Episcopal Church of the Holy Nativity gave the invocation and benediction.

The exercises were preceded by a brief concert by the Pahokee High School Band under the direction of Robert O. Lampi. The band played Elgar's "Pomp and Circumstance" for the procession and Meyerbeer's "Coronation March" for the recessional.

County Superintendent Howell Watkins, prior to the presentation of the diplomas, gave the graduates a few words of advice. "If you want a happy and satisfying career, build your life on the four cornerstones of Knowledge, Character, Service and Faith," he said.

Mr. Watkins presented diplomas to Myra Baxter, Elizabeth Clardy, Linda Cowart, Bettye Culberson Wood, Dorothy Fields, Evelyn (continued on page 8)

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2 3/4% per year. For full details, ask at any Federal Reserve Bank or Branch.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength is America's surest guarantee of peace.*

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

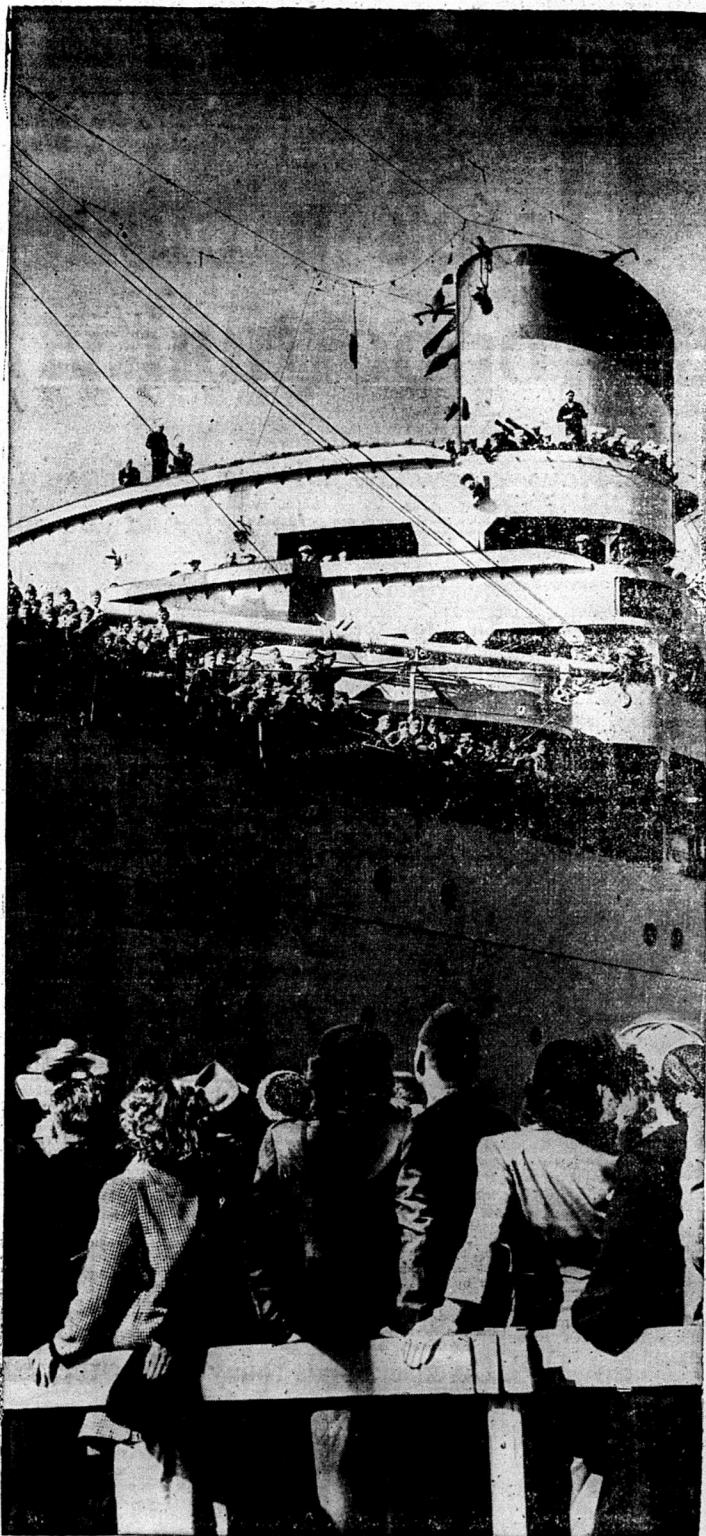

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now *every Series E Bond you own* can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Peace is for the strong...

Children's Display At Garden Club Flower Show

Among the many excellent displays at the recent Flower Show held by the Pahokee-Canal Point Garden Club in the County Park Community Building at Canal Point, was that of the Children shown above. The individual displays in this section showed great talent in arrangement. Much favorable comment was heard on all sides by the spectators when they came to this section of the flower show.

Chamber Considers Important Items

Two officers from Morrison Field, the Palm Beach International Airport, were present at a meeting of the board of directors of the Pahokee Chamber of Commerce last week to discuss with the board a proposed program of using Lake Okechobee and the Pahokee area as a site for sea rescue training work. Tentative plans called for a crash boat to be stationed on the lake and the use of the area for both water and sod landing practice. The cooperation of the chamber of commerce was asked by the officers in obtaining permission for the use of the city dock in the training work; also in finding adequate housing facilities for crew members.

Frank Sakser of the Palm Beach County Airport was also present at the meeting to answer questions concerning the County Airport on Bacom Point at Pahokee. Edward A. Jensen was appointed chairman of a committee to promote the use of the airport and formulate long-range plans for its future development.

This plan will be worked out with County Commissioner Paul Rardin under whose direction the Bacom Point airport was built by the county.

Joseph Kahn and Manning I. Keen were named on a committee to work with the Everglades Business and Professional Woman's Club on the proposed plans to erect a building for use as a public library and offices for the chamber of commerce.

The resignation of John Sutterfield as secretary was accepted by the board. President Ralph Johnson appointed M. I. Keen acting secretary until the next meeting when a new secretary will be elected.

Closed Wednesday Afternoons

Starting June 4 the Pahokee postoffice will be closed every Wednesday afternoon at 12 noon, according to Postmaster Edward A. Jensen. This Wednesday afternoon closing will be effective through the summer months and is in addition to the regular Saturday afternoon closings of the office, Mr. Jensen said.

There were 2997 head of cattle and 3742 hogs sold at 14 State Farmers Livestock Markets last week, according to figures released by William L. Wilson, Director of State Markets.

Awards Are Made To Many Seniors

The deck of the cruise ship, "Dixie Belle," was the scene of the class night program presented by the Pahokee High School Senior Class in the high school auditorium Friday night.

Highlight of the program was the presentation of the annual school awards by Principal Clyde A. Canipe. Seniors receiving awards were Dick Atkins (2), best all-round senior boy, and excellence in English; Charles McCurdy and Rita Faye Hurt, student activities; Ada Tillman, best all-round senior girl; Carney Wilder, Denon athletic award; Mac Lynn and Leonne Gamot, American Legion citizenship awards; Myra Baxter Woman's Club home economics award; Alfred Meeks, Lions Club agricultural award; Linda Cowart Everglades B&PWC commercial studies award.

Special band awards were presented to the Seniors who were members of the Pahokee High School Band; Rita Faye Hurt, Donna Jo Spooner, Louise Hatten, Dorothy Fields, Bettye Culberson, Joann Platt, Charles McCurdy, Dick Atkins and Millard Stanley. The Ross Blech Memorial Award, presented annually to the best student in first-year algebra, was received by Bobby Howell.

The class history was given by Dorothy Fields; the class prophecy, by Buddy Howell, and the last will and testament of the Class of '52, by Gloria Stuart.

For entertainment the class presented a musical revue of songs and dances, with Mac Lynn acting as master of ceremonies. Solos were sung by Jack Boland, Louise Hatten and Millard Stanley, and "barbershop harmony" was rendered by the FFA Quartet, district champions, composed of four Seniors: Bobby Schroder, Millard Stanley, Dick Atkins and Charles McCurdy. Featured in the dancing acts were Wynell Gillis, Evelyn Clay Frady, Rita Faye Hurt, Donna Jo Spooner and Millard Stanley.

Class gifts were presented to the school, Principal Canipe, Coach Dub Kendrick and Miss Ruth Dorsey and Miss Barbara Hendry, faculty sponsors, with Alfred Meeks, class president, making the presentation. Rita Faye Hurt, on behalf of the Senior band members, presented a gift to Bandmaster Robert O. Lampl.

Fla. State Receives Favorable Publicity

TALLAHASSEE—The Florida State University at Tallahassee is being featured this month on all dining car menus of the Seaboard Air Line Railroad in its current series of sketches saluting the outstanding universities and colleges in its territory.

"First known as the 'Seminary West of the Suwanee' with a 'Male Department' and a 'Female Department', this institution at Tallahassee has changed in name and status four times—each time to meet more adequately the educational needs of the young men and women of Florida," the Seaboard's tribute says.

It notes that the University today enrolls more than 6,000 students, embraces 15 major colleges, schools and divisions, and has a campus of 1340 acres on which are 216 buildings.

New College Head

WINTER PARK — Rollins College trustees have announced that Prof. Hugh F. McKean, a member of the faculty, has been named president of the Central Florida school. McKean has been Acting President since May, 1951, when the board ousted Dr. Paul A. Wagner.

McKean, a Rollins graduate, said he is initiating a program "which if pursued with vigor and taste, could make it possible for Rollins to celebrate its diamond jubilee in 1960 with a fund of ten million dollars."

McKean, a Rollins art staff faculty member for 20 years, was born in Beaver Falls, Pa. He attended Florida schools and was graduated from Rollins in 1930. He later went to Harvard and Williams College where he received his Master's Degree.

Hunter Announces Sermon Series Topic

"People of today are seeking an unshakable faith with which to face an unstable world," said the Rev. W. Hal Hunter this week as he announced a series of special sermons on the theme "What to Believe." The sermons are to be preached at the Pahokee First Baptist Church during the next three months.

Hunter, Pastor of the Pahokee church, will deliver the first message in the series next Sunday morning. His subject will be "What to Believe About the Kingdom of God." At the evening service his topic will be "What to Believe About Heaven." The services are at 11 a. m. and 8 p. m.

According to the announcement, music for the services will feature the Adult and Youth Choirs of the church and special choral groups from these choirs. The choir and congregation singing will be under the direction of Robert O. Lampl, First Baptist Church Director of Music.

Vacation Bible School annual session at the First Baptist Church of Pahokee will be from August 4th through August 15th this year, rather than in June as was previously announced. The school will include a department for 3 year olds as well as the regular departments for all ages from 4 through 16.

Christian Science Group Of Canal Point

Christian Science church services next Sunday stress the necessity to forsake apathetic and materialistic thinking for a spiritually alert standpoint. Subject of the Lesson-Sermon is: "ANGEL AND MODERN NEURONANCY, ALIAS MESMERISM AND HYPNOTISM, DEFOUNDED."

The Golden Text is from Isaiah (59:19): "When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him."

Bible passages include this verse from Ecclesiastes (12:13): "Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man."

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "In a world of sin and sensuality hastening to a greater development of power, it is wise earnestly to consider whether it is the human mind or the divine Mind which his influencing one" (p. 82).

Baptists Announce Bible School June 9

The Canal Point Baptist Church, C. J. Smyly, pastor, announces its Vacation Bible School for June 9 thru 20. The school will begin at 8:30 a. m. each morning of the two weeks and dismiss each day at 11:00 a. m. A cordial invitation is extended to all the children of the community, ages 3 thru 16, to attend this Vacation Bible School.

A new feature this year is that we will have a nursery Department for children who are three years old. Heretofore the ages have started with age four. Mrs. C. H. Jones will be in charge of the three year old group and it is hoped that a large group of these children will attend.

Registration day for the Bible School is Friday June 6 at 8:30 a. m. All the boys and girls ages 3 to 16 are asked to come to the church and register that day.

— C. J. Smyly, Pastor.

Pahokee Council Has Busy Meeting

The Pahokee City Council at a meeting Monday night voted to give the Hibiscus Garden Circle permission to develop and beautify the old cemetery grounds on Bacon Point Road for use as a Memorial Park. Permission was also granted to the Poinsettia Garden Circle for a similar beautification of a plot on Canal Point Road opposite to the Elks Hall, this development to be known as the Poinsettia Roadside Park.

The Council passed a resolution to deed equal shares of the Port Mayaca Cemetery grounds to the cities of Belle Glade and South Bay provided they sign agreements to also share the expense of its maintenance and the responsibilities of its operation. Commissioner J. H. Wilkinson, Jr., was authorized to have a screen porch built on the caretaker's cottage at the cemetery.

Finance Commissioner, Loren Meredith was appointed to investigate hospitalization insurance for city employees and Park Commissioner Gil Gabeldon was asked to make arrangements for liability insurance on playground equipment at the city parks.

An expense fund of \$100 was voted to Waterworks Superintendent R. J. Schroder for his trip to Gainesville in June when he will attend the annual short course for waterworks officials.

The Council also voted \$200 for the city's membership in the Palm Beach County Resources Development Board.

The Rev. and Mrs. John Clarence Petrie have returned from a three weeks' visit with relatives in Borton, Mass.

Plans Are Made By Teachers For Summer Vacation

This is how some of the Pahokee school teachers plan to spend the summer:

Bandmaster Robert O. Lamp's time will be taken up mostly by his annual summer classes for band students.

Bob Shaw will visit his parents in North Carolina and attend summer school at the Appalachian State Teachers College, Boone, N. C.

Marvin Thompson will attend summer school at the University of Mexico.

Miss Barbara Hendry will attend summer school at Florida State University, Tallahassee.

Bill Howard will direct summer playground activities at the school grounds and city parks.

Mrs. E. D. Sims, Jr., is planning a trip with Mr. Sims to Virginia and New York.

Mrs. W. M. DuBose and Mr. DuBose plan to spend part of the summer with relatives in Alabama and part of the time at their home here.

Mrs. J. G. Thomas, Jr., is planning a trip with Mr. Thomas to New Orleans, La., with a week stopover at Panama City.

Mrs. D. W. Cunningham and family will visit relatives in Georgia and South Carolina.

Mrs. Clara Maurer and daughter, Patsy, will visit her mother in Columbus, Ohio.

Edwin Leggett will attend summer school at Columbia University, New York City.

Mrs. C. W. Walcott is remaining in Pahokee and will have as guests in June her mother, Mrs. J. M. Springfield, and two sisters, Mrs. S. W. Morris and Miss Mable Springfield, all of Fort Worth, Texas.

Principal Clyde A. Canipe states he will be on duty in Pahokee all summer except for a possible two-weeks' vacation.

Leland Keen says this summer "you will find me down at the Pahokee Swimming Pool most any old day."

Ned Kocher's motto for the summer is: "take it easy, eat three meals a day, sleep eight hours per night, seven days per week for the duration."

Chief Joins Rotary In Effort To Curb Teenage Speeding

Police Chief Leon Guthrie has announced his full cooperation with the Teenage Safety Committee of the Pahokee Rotary Club in the committee's campaign against unlawful teenage driving in this area.

This cooperation will include increased vigilance against speeding and a closer inspection of cars being driven by teenage children. Chief Guthrie is warning parents it is unlawful for any child under 14 years of age to drive a car and a child from 14 to 16 years with a restricted license cannot drive a car at any time after dark and only in the daytime when an adult with a driver's license is sitting beside him on the front seat. He also pointed out that motor scooters cannot be driven by children under 14 years and those 14 or over must have licenses to drive a scooter.

Several complaints of unlawful teenage driving have been brought to Chief Guthrie's attention lately by members of the Rotary Club. In asking for the cooperation of the parents he reminded them that the law makes them liable for the acts of their children when these children are caught driving cars illegally.

Unhappy Over Way Citrus Is Harvested

TAMPA—J. Adams Bruce, president of Bruce's Juices, Inc., told the members of the Tampa Lions Club last week that citrus growers, who get nothing for their fruit in many instances, could save money by using mechanical pickers.

Bruce went on to say that the citrus grower spends more in one day harvesting his fruit than he does in months before in growing, cultivation, fertilizing and spraying.

He also told the Lions that reckless government subsidization has caused over-expansion in citrus processing. Good prices in the past 10 years have caused producers to ever-expand their productive capacity, he stated.

Business Is Better At Canal Point P. O.

Business is better at the Canal Point post office, according to Postmaster Osceola Upthegrove. In fact it is around \$1,000 better during the first five months of 1952 than it was during the same period in 1951. If the same rate of business increases could be maintained throughout the year of 1952 the local post office would move up to second class. It is now third class.

"Business" as calculated by the postoffice department is made up mostly of stamp sales. So, Mr. and Mrs. Canal Point citizen, if you want your post office to step into a higher bracket, please remember to buy your stamps locally.

Beginning with the next quarter—July 1—box rents will go up. In fact it is an announcement according to an announcement this week by the department. 35c boxes will go up to 45c and 45c boxes will go up to 60c. The 60c boxes will advance to 75c and the 75c boxes will go to \$1.00. The \$1 boxes will rent for \$1.50 after the new period starts.

New Governor—

(continued from page 1)
Canal Point voting 185 for McCarty and 146 for Odham. Pahokee gave McCarty 393 and Odham 318.

FORT PIERCE—Dan McCarty, a broad grin breaking up his generally sober face, planned a vacation with his family today before laying the groundwork to assume his job in January as Florida's 31st governor. McCarty won his second bid for Florida's highest job by a 40,000 vote margin over J. Bralley Odham of Sanford with nearly all the votes counted from Tuesday's second primary. With the Democratic nomination, he is assured of election in the November voting over the nominal Republican opposition that will be offered by Harry Swan of Miami Shores.

D. R. (Billy) Matthews, former state legislator from Gainesville, apparently will go to Congress to represent Florida's new eighth district.

With 200 of the 202 precincts in the district tabulated, Matthews had 27,207 votes to 24,147 for his opponent, F. A. (Lex) Green of Starke.

County To Try New Bridge Construction

Construction of a new type material for use in county bridge work was authorized Monday by the county commission.

The commission adopted a plan submitted by County Engineer J. M. Boyd, whereby timber and steel will be replaced generally with concrete beams which can be constructed at the county maintenance headquarters.

Boyd told the commission that maintenance of many old county bridges which had been built from timber was becoming costly in that timber costs had spiraled to a point where it was no longer

economical that they be used in bridge construction.

A shortage of steel, Boyd said, had reduced the feasibility of using that material for bridge construction.

The engineer said that a suitable construction program could be worked out for county work with the use of pre-cast beams from concrete and he asked that a small pre-cast project be authorized.

The work would be done by county crews and it would allow stockpiling of material for bridge work.

The concrete project, Boyd said would eliminate a great deal of the expense that has been prevalent in county bridge work for many years.

Glades Party Plan Of Colonnades Hotel

To get the summer vacation started in high fashion, the Colonnades Hotel in Palm Beach Shores is giving Glades Party for all residents of this area.

The party will be on Saturday night June 7th at which time a free buffet supper will be served the grown-ups and a wiener and marshmallow roast will be given for the children. On Sunday night the swimming pool will be open for night swimming.

Fax Poindexter, manager of the hotel, has announced that this party is for all Glades people who are registered in the hotel. He said that tickets for the buffet for any

friends who are not staying at the hotel may be purchased for \$2.00. There will be no charge for the beach party for the children of those staying at the Colonnades or participating in the buffet.

After the buffet music for dancing will be furnished.
